TRIES TO JUSTIFY GERMANY FOR SEEKING AN ALLIANCE

Foreign Secretary Zimmermann Declares Plot to Ally Mexico and Japan Against United States is Not Inspired by Unfriendliness But That it is a Means Universally Admitted in War in Case United States Declared War Against Germany. Most Important Part About it, He Says, is Its Conditions.

ADMITS SUCH A CONSPIRACY EXISTED

No More a Plot Than "Plot" Reported in South America to be Attempted by United States

AGAINST GERMANY, HE SAYS

Zimmermann America Country Tried to Line up Neutrals in Opposition to His County

(By United Press.)
Berlin, (Via Sayville), March 3.—Foreign Secretary Zimmermann today justified Germany's action in seeking to ally Mexico and Japan against the United States.

Such a course, he said, was merely a defensive measure, not to be carried out except in case the United States declared war on Germany. Moreover, he said it was no more a plot than the "plot" which was reported in South American newspapers as having been undertaken against Germany by the United States when America sought, according to South American and other newspaper representatives to line up American republics in common action against Germany.

Zimmermann said: "I fail to see how such a plot is inspired by unfriendliness on our part.

"It would mean nothing but that we would use means universally admitted in war in case the United States declared war.

"The most important part of the alleged plot is its conditions and form. The whole plot falls flat in case the United States does not declare war against us.

"And if we really as the report alleges consider the possibility of a hostile act by the United States against us then we really had reasons to do so."

TO VOTE ON ESPIONAGE BILL

House Committee Decides to Ask for Special Rule Late Today

Washington, March 3.—Chairman Webb of the house judiciary committee will ask for a special rule late today on the general espionage bill passed by the senate. This was decided on at a meeting of the committee this morning.

DISPLAYS RECRUITING SIGN

Postmaster Hunt Unfurls Big Blue Flag in Front of Postoffice.

A big blue flag emblematic of the United States army recruiting station was unfurled at the postoffice this afternoon. Under a recent order of the postoffice department the postmasters are authorized to act as recruiting agents for the army and the flag will serve to impress on the public the need for more men for the army at this particular time. Under this act the postmaster is allowed a fee of \$5 for every man recruited. Postmaster Hunt has previously announced that he will donate his fee to the men enlisting.

Stops Fight In Senate

Germany's Unabashed Acknowledgment of Conspiracy Designed for Invasion of United States Removes Opposition to Armed Neutrality Bill.

CREATES DEEP IMPRESSION

By ROBERT J. BENDER
(U. P. Staff Correspondent.)

Washington, March 3.—Germany's unabashed acknowledgement today of conspiracy to align Japan and Mexico for invasion of United States appears to have removed the last opposition in the senate to the armed neutrality bill.

First news of the Berlin admission was read into the record. It created a profound impression on senators, being reread by unanimous request.

It made absolutely certain that before midnight President Wilson will have the fullest authority of congress to arm American merchantmen against submarine attacks and uphold American rights at sea through "other instrumentalities."

Republicans amazed at what some called "brazen" admission from Berlin, announced the measure would have their ungrudging support.

Senator Brandegee, Connecticut, opened the debate on the bill at the morning routine, urging union of all factions in a face-about against Germany.

He declared war should immediately result if Germany should sink another American ship after arming by the government.

"If another of our vessels is sunk after this action by the congress then there would be war if this country is fit to live," shouted Brandegee.

The senate failed to ballot on the armed neutrality bill last night after eight hours of strenuous debating. Recess was taken early this morning until 10 a. m. but no time was set for a record vote.

The agreement for the recess was reached after Senator LaFollette had withdrawn his objection to a proposal by Senator Hitchcock that the bill passed by the house be taken up by unanimous consent as a substitute for the broader senate measure, which retains the provision that the president shall use "other instrumentalities" if necessary, in addition to arming merchant ships, in protecting the lives of Americans. The senate bill is the one that the president has endorsed.

Democrats in charge of the bill proposed substituting the house measure so that the bill could go into conference immediately after its passage by the senate, instead of having to be sent back to the house.

Senator LaFollette, upon whose attitude virtually depends the time for a vote in the senate, declined to agree upon an hour for the vote. Numerous senators still had speeches to make on the bill and it was thought probable it would be

Admission of Plot Does Not Alter the Case

(By United Press.)

Washington, March 3.—President Wilson will not call an extra session now, it was officially learned today. If the present congress can complete its work, developments in the international situation are not such as to warrant a call for assembling the new congress at this time.

State department officials said that the fact that Germany admitted her act did not alter the diplomatic situation.

"We were convinced of the authenticity of the plot," said one official, though he added that what Germany had to say might have a bearing on whether or not the admission aggravated the situation.

Authorities felt the admission would have the immediate effect of solidifying patriotic sentiment in congress and the nation and might swerve the doubting.

CONGRESS ADJOURNS AT NOON TOMORROW

Clock Will be Stopped Tonight and Will Not be Set Right Until After Adjournment

NO EXTRA SESSION IN VIEW

(By United Press.)

Washington, March 3.—The second session of the sixty-fourth congress will adjourn sine die at noon tomorrow.

Adjournment may actually come several hours after noon Sunday but tonight the congress clock will be stopped and set right again only after the present congress is history.

There will be no extra session until June at the earliest unless international possibilities make it essential that senate and house meet sooner.

It is confidently predicted by leaders of both parties the armed merchantmen bill—as the president wants it—will go through both houses.

The first work of the next congress when it is called in and after the month or more than may be necessary for organization, will be to pass any appropriations lost by the dying congress.

Even if the army appropriation bill, one of the most important which congress handles, is lost, the president is determined not to call the extra session Senator Lodge and other republican leaders have been openly fighting for.

the bill and probably it would be late today before the bill went to conference. Administration leaders are confident that the senate measure will prevail in the conference and that the house will accept it.

Debate on the bill ran the whole scale of the nation's foreign relations. It gave senators a long-awaited opportunity, however, to declare their convictions in the international crisis; and the debate proceeded with deliberation despite the knowledge that it now is Senate action on which the president is waiting.

There were no party lines, and most of the pacifist element of the senate declared a willingness to fall in behind the president in his move for an armed policy.

WONDER IF GERMAN SPIES VISITED HERE

Some Rushville Persons Believe Suspicions Were Correct Since Intrigue Has Been Disclosed

TWO MEN HERE LAST SUMMER

Spent More Than Week Apparently Making Maps—German Here Recently Aroused Suspicion

Have German spies ever visited in this county to gather information regarding the topography and general conditions in case Germany should ever go to war with the United States?

There are some persons in Rushville who suspected such a thing but their suspicions were based on such slight foundation that they hesitated to say anything. However, since the revelation of the intrigue on the part of Germans that has extended to all parts of the United States, have been disclosed it is no longer believed that some things which have transpired in Rush county in the last several months are just figments of the imagination.

Last summer two strange men spent more than a week in Rush county and were apparently engaged in making maps. No one was ever able to discover what their business here was. A few weeks ago a stranger spent several days here, ostensibly as a representative of a fertilizer company, but he devoted all of his time to upholding the cause of Germany.

The two men here last summer aroused suspicion by their actions. Attention was directed to them when they attempted to buy some tracing cloth. Failing to find it at stores, they were directed to a Rushville man who was believed to have some. He provided them with some of the tracing cloth, but they were very discreet about their business here and refused to discuss the subject at all.

The two men said they had exhausted their supply of tracing cloth before they had expected to and that they did not have time to get any elsewhere immediately. They would likely use tracing cloth for but one thing—making maps. When the suspicions of the man who sold them tracing cloth were aroused, he attempted to learn something about their business here, but they were silent as the Sphinx on that topic.

It was found that they drove out of Rushville each day and returned late at night. They carried cameras. It was observed that they apparently were employed by no firm. They sent out a letter each day, it is said, in a plain envelope.

The other man who aroused suspicions by his unusual partisanship for Germany posed as an agent for a fertilizer manufacturing establishment, but persons who became interested in him could not understand why he should spend a week or ten days here and do nothing much, but loaf around cigar stores and bowling alleys.

This man said he was a native of Germany and that he did not return to his country because he did not want to fight. According to his story, his father was a very influential citizen, being the manager of a large string of packing houses.

This alleged fertilizer salesman managed to get into several heated arguments about the war in public places. Much of the sentiment was pro-ally and some bad feeling was engendered. It is said that a Rushville man called the German to one side and told him he had better not be too caustic or he might cause trouble. The next day he disappeared and has never returned.

LOCAL MAN HONORED

Indianapolis, Ind., March 3.—J. V. Masters of Rushville was elected president of the history section of the Indiana State Teachers' association today at the annual meeting.

DIRECTORS ARE RE-ELECTED

Dr. F. M. Sparks is Chosen to Fill Out Unexpired Term of A. L. Gary

The three directors of the Rush County Chautauqua association whose terms expired October 16, 1916 were re-elected last night at the annual meeting of the chautauqua guarantors in the court house assembly room and Dr. Frank M. Sparks was chosen to fill out the unexpired term of A. L. Gary who failed to sign a guarantors card through an oversight. The directors re-elected are R. G. Budd, R. A. Innis and E. R. Casady and their terms are for three years each.

T. M. Green, the president of the board, will call a meeting soon and the board will reorganize.

DECLARES THAT HE WILL LEAVE HOUSE

Representative Gentry of Bloomington Asserts Integrity Has Been Questioned by Fellow Member

REGISTRATION BILL PASSES

(By United Press.)

Indianapolis, Ind., March 3.—Representative Gentry of Bloomington created a sensation in the lower house of the legislature today when he declared that his integrity had been questioned in connection with the passage of the bill appropriating \$350,000 for a new Indiana medical school; demanded the bill be recalled from the senate and then declared he would resign as a member of the house.

It was explained that it was impossible to recall the bill from the senate as it had already been passed by the upper house. Following Gentry's speech the house adopted resolutions pledging its faith in Gentry's action and completely absolving him from any blame.

The Mason bill providing for registration from April 1 to twenty-nine days before general election passed the senate. The McClaskey bill establishing a state historical commission was also passed.

The specific appropriations bill was amended to give \$10,000 towards the establishment of a memorial of the battle of Lake Erie; \$5,000 to the state farm in Putnam county for the establishment of a dairy farm.

FAMILY STRANDED HERE BY SICKNESS

Mr. and Mrs. Lee Million and Five Children Under Care of Salvation Army for Few Days

ARE ON WAY TO HAMILTON, O.

A pathetic case was brought to the attention of Capt. Tharp of the Salvation Army last night. Mr. and Mrs. Lee Million and five children, their ages ranging from fourteen months to 10 years, appealed to the Salvation Army for help. The youngest child was ill and the father stated they had been since Monday enroute from St. Louis to Hamilton, O. and had been compelled to stop four times on account of the child's condition.

Capt. Tharp took them into his home and a physician found the little child to be suffering from double pneumonia. The family is in destitute circumstances and Capt. Tharp states it is a worthy case. He will keep the child at his home until it recovers and today was seeking aid from the public, as he is not able to stand the expense himself.

Mrs. Ed Laughlin of Falmouth spent the day here on business.

Ray Carr of Homer was a business visitor in this city today.

HILBERT AND HIS WIFE HELD FOR MURDER

Orange Farmer, Father of Russell J. Hilbert, and Boy's Step-mother Freed and Arrested.

PROSECUTOR FILES CHARGES

Attorney for Hilberts Get Release on Writ of Habeas Corpus and They Are Rearrested.

PRELIMINARY LIKELY MONDAY

Grand Jury is Called to Meet Then to Investigate Mysterious Death Two Weeks Ago.

Following their release on habeas corpus proceedings instituted in the Fayette circuit court, Herman Hilbert and his wife, Lillian Hilbert of near Orange were re-arrested late last night on an affidavit charging first degree murder in connection with the death of Hilbert's little son, Russell J. Hilbert, who died suddenly in convulsions two weeks ago today. The affidavit charging murder was filed by James Clifton, prosecuting attorney of Fayette county.

The Hilberts have been held in the Connersville jail merely on suspicion since one week ago yesterday. The officers have intimated that they knew more about the death of the little boy than has been told, but no charges were placed against them up until last night. Late yesterday afternoon Frank M. Edwards, acting as their attorney, instituted the habeas corpus proceedings against the officers and last night shortly before ten o'clock Judge Springer granted the writ.

As the Hilberts were leaving the court room they were formally arrested on the charge of murder. The habeas corpus proceedings tended to force the officers to show their hand and in order to hold the parties the prosecutor found it necessary to file the affidavit. They were taken back to jail without bond. The grand jury has been called for Monday when an investigation of the case will be made. The arrest of Hilbert and his wife will in no way affect the action of the grand jury.

First indications today were that a preliminary hearing would be held this afternoon, but it was announced at Connersville that there would be no preliminary for the couple until Monday, and possibly not then.

Coroner Cooper had not yet filed his verdict this afternoon and there was no intimation of when he would likely place it on file.

Herman Hilbert and his wife were first arrested after the coroner had received a report that the boy's stomach contained traces of strychnine. He ordered them held pending an investigation. It has been generally understood that his investigation was to close today and this may have led to the effort to get the parties out of jail. They were free for the time being, but the prosecutor headed off the attempt to turn them loose by filing the affidavit.

Judge Springer did not hesitate to grant the writ of habeas corpus as they had been in jail for a week without the sign of a charge and without any positive statement as to when one would be filed.

The little boy's body was exhumed last Sunday and additional tests made for poison. It is understood that the coroner received his report on this last test yesterday afternoon.

The Epworth League will have their regular meeting tomorrow evening at 6:00 p. m. at the M. E. church. There will be special music and talks by Earl Marlatt, George Wiltse and Miss Marjorie Smith. Miss Ellen Vickrey is leader.

TRADE MARK

—the tooth paste that is fighting the most general disease in the world. Use it twice daily. See your dentist twice yearly.

Get a tube today, read the folder about this disease, and its symptoms and start the Senreco treatment tonight. 25c at your druggist. For sample send 4c stamp or coin, to The Sentanel Remedies Co., Cincinnati, Ohio.

A DENTISTS FORMULA

VEGETABLE CALOMEL

Vegetable calomel, extract of the root of the old-fashioned may-apple plant, does not salivate. As a liver stimulator, it's great. It's a perfect substitute for ordinary calomel (mercury); in fact, it's better, because its action is gentle instead of severe and irritating—and it leaves no mean, disagreeable after-effects. Physicians recognize this and prescribe may-apple root (podoophyllin, they call it) daily.

Combined with four other standard, all-vegetable remedies, may-apple root may now be had at most any druggist's in convenient sugar-coated tablet form by asking for Sentanel Laxatives. If you forget the name, ask for the box that has the picture of the soldier on it.

These tablets are small, easy to take and are really wonderful little performers.

They quickly clean out the poisons that are causing you headache, constipation, sour stomach, biliousness, dizzy spells, bad breath and coated tongue.

They are mild. They never gripe. And they are a bowel tonic as well as a cleanser and liver regulator. A 10c box should last one several weeks. A Physician's trial package (4 doses) will be mailed you free if you write mentioning this advertisement. The Sentanel Remedies Co., 802 Madison Ave., Covington, Ky.

Amusements

The Gem will show King/Baggot and Jane Gail in the drama "The Heal of the Law" for the first picture of tonight's program. The second is entitled "The Last of the Morgans" and the program ends with the comedy "Eat and Grow Hungry."

The Lyric offers the two reel drama "A Modern Knight" for the first picture of the Saturday night program. Margaret Gibson and William Clifford are featured. The second picture is a drama "A Siren of the Jungle." The last is a comedy "The Iron Mitt" in which Ben Turpin and Rena Rodgers are featured.

The Princess offers the five act comedy feature "Old Dutch" for the first picture of tonight's program. Lew Fields and Vivian Martin are featured and it is said to be one of the best comedies ever produced. In addition to this Fatty Arbuckle will be seen in the comedy "The Bright Lights." On Monday Lew Fields will be seen in the comedy drama "The Man Who Stood Still."

For the Past Three Years

The management of the city's affairs have been efficiently and economically handled under the guiding hand of MAYOR C. L. BEBOUT. Why make a change?

Past experiences should prove a benefit in the future. Business-like methods have prevailed during this period and there never has been a time when he failed to devote his time to the city's interests. In this period Mayor Bebout has not missed a single session of the city council, and in addition to these duties has disposed of 396 cases in police court.

Platform pledges have been kept regarding law enforcement and to this end Rushville has been made a better place in which to reside.

It is not necessary to have a lawyer at the head of the city government. In the past three years the City has lost but one law suit—that a hopeless case—taken to the higher courts in the interests of the merchants of the city.

FOR CONTINUED GOOD GOVERNMENT SELECT

DRINK HOT TEA FOR A BAD COLD

Get a small package of Hamburg Breast Tea, or as the German folks call it, "Hamburger Brust Thee," at any pharmacy. Take a tablespoonful of the tea, put a cup of boiling water upon it, pour through a sieve and drink a teacup full at any time during the day or before retiring. It is the most effective way to break a cold and cure grip, as it opens the pores of the skin, relieving congestion. Also loosens the bowels, thus driving a cold from the system.

Try it the next time you suffer from a cold or the grip. It is inexpensive and entirely vegetable, therefore safe and harmless.

RUB BACKACHE AND LUMBAGO RIGHT OUT

Rub Pain and Stiffness away with a small bottle of old honest St. Jacobs Oil

When your back is sore and lame or lumbago, sciatica or rheumatism has you stiffened up, don't suffer! Get a 25 cent bottle of old, honest "St. Jacobs Oil" at any drug store, pour a little in your hand and rub it right into the pain or ache, and by the time you count fifty, the soreness and lameness is gone.

Don't stay crippled! This soothing, penetrating oil needs to be used only once. It takes the ache and pain right out of your back and ends the misery. It is magical, yet absolutely harmless and doesn't burn the skin.

Nothing else stops lumbago, sciatica and lame back misery so promptly!

WALTER F. EASLEY

Candidate for the Republican Nomination for City Clerk
March 6th

LISTEN TO THE EVERWELLS

AT CHOO!
You bet I'll cure this cold up quick. I don't believe in being sick!

Don't let a cold bother the life out of you. I'll tell you of a drug store where they will sell you a cold remedy that will relieve you at once. Our folks have done business with these people for a long time and we recommend them highly.

Growth of Movie Business.

Fifty thousand miles of motion picture films, or enough to stretch twice around the globe at the equator, passed through the Customs Houses of the United States in the calendar year 1916; 43,000 miles of this was American films being exported, the remainder European films being imported.

A compilation by the Foreign Trade Department of the National City Bank of New York shows that nearly \$10,000,000 worth of motion picture films made in the United States were sent to foreign countries, and our own colonies, and over \$1,000,000 worth of foreign films were imported during the calendar year 1916. The exports of the year are the largest in the history of this comparatively new feature of our international trade. They totalled in the calendar year 1916, 224,518,880 feet, national trade. They totalled in the calendar year 1916 224,518,880 feet, equivalent to over 42,000 miles, and the imports, 43,372,214 feet, aggregating about 8,000 miles, thus justifying the statement that the length of the films passing through the Customs Houses of the country in a full calendar year, was sufficient to stretch twice around the globe at the equator, and that four-fifths of this enormous total was American films exported.

The exportation of motion picture

Headaches

nervousness, sleeplessness and other ills are often caused by disordered stomach or liver.

films from the United States has grown very rapidly. It was only in 1912 that the exportation of this class of merchandise was considered of sufficient importance to justify a mention in the statistics of our international commerce. In that fiscal year the total exports of films amounted to 80,000,000 feet. By 1914 it was 185,000,000 feet, in the calendar year 1915, 199,000,000 feet, and in 1916, as above indicated, 224,518,880 feet, exclusive of approximately 5,000,000 feet sent to Porto Rico and Hawaii. The value of the exportations of 1916 was \$9,261,075 against \$6,713,174 in 1915, and \$4,742,620 in 1914.

The United States is by far the world's largest manufacturer of motion picture film. While no exact figures are available on the quantity of film now produced in the United States, an estimate based upon the known quantity exported suggests that the entire domestic production considerably exceeds 1,000,000,000 feet, with a value of approximately \$40,000,000.

The character of the views presented on the 30,000,000 miles of "exposed" ready-to-use film exported is quite similar to that of the films in use in the United States, probably three-fourths being photographs, and the remainder chiefly travelogues, "news service," and comedies.

Well, anyway, Tom Lawson has been swallowed up in a bigger scare. Verily, there is some consolation, even in our greatest misfortunes.

Some sensitive people are beginning to wonder if a man will feel any better in the next world after

being blown up by a mine, than he would have felt had he been sunk by a submarine.

Bankers don't like the new coins because they say they are hard to stack. But we are not running a bank.

An exchange says a man should have a good excuse ready before committing a mean act. The average man has. He's the excuse.

Lloyd Smith of Connersville is spending a few days with friends in this city.

FEW BILLS REMAIN.

Indianapolis, Ind., March 3.—Fewer bills are awaiting action in the lower house of the legislature today than have been in that body at a corresponding time during any previous session of the legislature, according to Speaker Eshbach. About ten bills were ready to be placed on passage when the house met today. Many bills are held up in the senate.

Only by expediting work during the last two weeks has this been made possible.

Is the Food Famine Genuine or Artificial?

Hunger riots in New York, the richest city of the Union, in a period of unprecedented national prosperity, are startling enough to arrest the attention of City, State, and Federal Legislators. When women of various tenement districts of New York and Brooklyn began a campaign of riotous protest against the high price of food in the local markets, they upset the push-carts and barrows of the food peddlers, threw kerosene on the stock, improvised boycotts, and drove away intending purchasers. Hundreds of them marched to the City Hall and demanded food from the Mayor. Even if the charge is true that these riots were stage-managed and accelerated by agents of the Central Powers who wish to see Congress supplement Germany's submarine campaign by placing embargoes on the exportation of food-stuffs to the Entente Allies, they nevertheless emphasize the situation which bears down with special severity upon the poor.

The New York *World* blames the food speculators for these conditions and urges the State to exercise its police power and take over the food supply. From another source, the railroads are blamed, because they do not give food shipments preference over other commodities. And so it goes. Meanwhile, despite the fact that the country is within the shadow of impending war with Germany, the question of feeding the people of America is arousing vast interest.

In THE LITERARY DIGEST for March 3d, the leading article covers this subject from all angles and suggests methods of cure.

An Impartial Survey of Facts

This is an age of what President Wilson has termed "pitiless publicity." Everything finds its way into print and the vast quantity of matter with which our daily and weekly press is flooded is simply staggering to the man who wishes to learn the essential news of the day and yet dislikes employing a muck-rake or a fine-toothed comb to arrive at it. To this man and to the many thousands of men and women who feel as he does the weekly appearance

of THE LITERARY DIGEST is a rare boon. Not only does it give him the news in an instantly accessible form, free from all unessential matter, but it quotes papers of the most widely divergent views upon all the vital questions of the hour, thus affording an unbiased survey of everything of importance that is taking place in the world. Here you get the meat of public events. The current number is a fine example.

GIVES RUSHVILLE QUINTET A SCARE

Franklin High School Basketball
Team Gets Dangerously Close
to Local Five

RUSHVILLE WINS HOWEVER

With Constant Threat of Having
Score Tied, Pull Out in Lead
and Game Ends, 23 to 19

Franklin threw a big scare into the Rushville team last night and before the locals realized what was going on, had drawn dangerously close to Rushville. The final score was 23 to 19 with Rushville in the lead. The close score was about the only good feature of the game.

Rushville showed a reversal of form, while Franklin put up a scrappy game and outplayed the locals in the final period. The locals failed to connect with the basket and for a time in the final half it appeared Franklin would tie the score. At one time in this period the score stood 21 to 19.

The game started with a rush and the locals had a hard time making a start. Several times during the first half the score was tied and along towards the close Rushville drew away and the half ended 12 to 8. Franklin came back strong and the greatest lead Rushville could maintain was four points.

Rushville may have been too confident but whatever the cause the team failed to show the same fighting spirit that has marked past games. Because the score was close the large audience was given a thrill but the score was no fair indication of the strength of the two teams.

The outstanding feature of the game from a Rushville standpoint was the work of Reed at guard. Reed put some life in the play when in the first half with the score very close he dribbled the ball the entire length of the floor and then threw the goal. He made two field goals in the first half.

For Franklin the work of Forsythe at center and the guarding of Friddle were the outstanding features. Forsythe was put out of the game near the close for personal fouls and the chances of his team overtaking Rushville went glimmering. Had Rushville made all the baskets they shot for there is no telling what the score would have been. The team will be put through some stiff workouts this week in preparation for the district tournament at Richmond. The game last night was the last home game of the season for the locals. The lineup and summary:

Rushville (23)	Franklin (19)
Thorpe	Pierson
Keating	Forward
Martin	Forward
Newhouse	Center
	Dupree

Reed	Guard	Friddle
	Guard	
Substitutions—Oakley for Keating; Friddle for Forsythe; Musselman for Friddle.		
Field goals—Pierson, 2; Bridges, 1; Forsythe, 3; Thorpe, 3; Martin, 4; Keating, 1; Reed, 2.		
Foul goals—Pierson, 7; Thorpe, 2; Martin, 1.		
Referee—Smith of Indianapolis.

—but pleasing your
taste isn't all

Not by a long shot! Because lots of cigarettes may please your taste—you've never expected a cigarette to do more than that.

But Chesterfields do something else besides please the taste—

Chesterfields just "touch the spot," they do what cigar smokers say a cigarette can't do—they "SATISFY"!

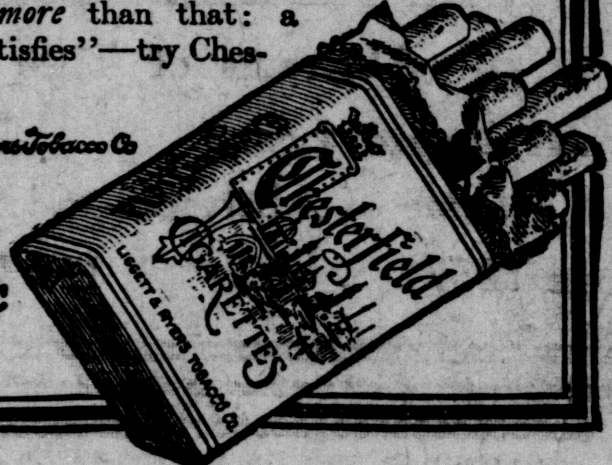

And yet, they're mild!

It's the blend—that's the idea! That, together with the extra high-quality of the Imported and Domestic tobaccos. And the blend can't be copied.

If you want good taste in a cigarette, and then more than that: a cigarette that "satisfies"—try Chesterfields, today.

Church Societies, Parties, Weddings, Dances, Literary and Musical Organizations, Sewing Circles, Card Clubs and Many Other Things of Interest to Women.

The Musicales will meet Monday evening in the Graham Annex auditorium. The members are entitled to bring guests, with an admission of ten cents for each guest. A special program will be offered at the meeting.

* * *

The Women's Home Missionary society of St. Paul's M. E. church will meet at the home of Mrs. Lon Havens next Thursday afternoon. A market will be held in connection with the meeting and will be given by the first division.

* * *

Mrs. James Mattox had as dinner guests today Mrs. Thomas Havens of Fort Wayne, Mrs. O. W. Holmes of Marion and Mrs. Isom Stevens, tomorrow Mrs. Holmes and Mrs. Havens will be the guests of Mrs. Stevens.

* * *

Mrs. Ab Denning entertained ten members of the Thimble club yesterday afternoon at her home just west of the city. The house was decorated with spring flowers and ferns, the decorations also being used on the table, at which the guests enjoyed a splendid two course luncheon, after an enjoyable afternoon over cards.

* * *

Mr. and Mrs. Herman Miller entertained at dinner yesterday at their home near Milroy the following guests: Mr. and Mrs. Herbert Meek, Mr. and Mrs. James Anderson and son, Mr. and Mrs. Lon Innis, Mr. and Mrs. E. H. Innis, Mrs. Flo Crosby and the Misses Jesse and Mary Anderson of this city. Spring flowers and ferns adorned the rooms and these flowers were also used on the table.

* * *

One of the most enjoyable parties of the season was in the form of a pitch-in, which was given by Miss Helen Frazee at her home in North

Main street last night, following the basketball game. Among those who enjoyed the affair were the Misses Esther Anderson, Mary Louise Bliss, Dorothy Sparks, Dorothy Mulno, Lois Reeve, Helen Frazee, Norman Reed, Harry Schmalzel, Thomas Saunders, Hubert Alexander, Dwight VanOsdol and Harold Wolcott.

* * *

The home of Miss Fern Ormes was beautifully decorated with ferns and other potted plants, when it was the scene of a pretty party given in honor of her twelfth birthday. Games and music were enjoyed throughout the afternoon and dainty refreshments were served.

Those present included the Misses Mable Wilson, Mildred Newbold, Lorene Robinson, Rena Route, Alice Chadwick, Margaret Oster, Pauline Ryan, Charlotte and Mary Anna Holeman, Mildred Retherford, Ruby Carr, Zelma Williams, Mary McIlwain, Ruth Weber, Mary Louise Gregg, Irene Abernathy, Lillian Gregg, Zella Poston and Marian and Virginia Lucas.

* * *

A surprise was given on Harry Mahan principal of the Arlington high school, last night, by the teachers and his friends of Posey township. Today is his birthday and they presented him with books to show their appreciation of his interest and co-operation in the school. A pitch-in supper was served during the evening, and among those who enjoyed the social time were Mr. and Mrs. Harry Mahan and family, the Misses Mary Metsker, Margaret King, Erema Wilk, Kathryn Newsome, Mr. and Mrs. Floyd Woods and guests, Mr. and Mrs. Reeves Woods, Mr. and Mrs. Fred Catt and son Leroy, Mr. and Mrs. L. Downey and daughter Mrs. Lettie Woods, and daughter Maud, Miss Sue Woods, Mrs. Irvin and Miss George.

MRS. GENEVA GORDON DIES

Expires South of Arlington of Appendicitis and Peritonitis

Mrs. Geneva Gordon, 52 years old, widow of the late Ephraim Gordon, died this morning at six o'clock at her home south of Arlington, following an illness from appendicitis and peritonitis. Mrs. Gordon had been in ill health for some time and recently suffered an attack of appendicitis. Peritonitis developed and her death had been expected. She is survived by four children, Mrs. Wilma Anderson of Illinois, Miss Esther Gordon, Carl and Ralph Gordon. The funeral arrangements have not been completed.

WHAT-YOU-MAY COLUMN

BY "GM."

Tea. Tea used to be a strong, virulent drink.

But today it is so weak it has to ride to the dining room on a thirty dollar wagon.

We owe some department stores or other that much besides a debt of gratitude for supporting our share of the now puny and decrepit beverage to the table.

We know a man who frequently drives his wife into a blind rage by saying:

"Agnes, if the tea isn't able to be u and around today you might wheel us in a cup."

'One of these days she'll hit him with the wagon.

Today's Legislative Oddity

Indianapolis, Ind., March 3. —Pages in the house receive \$3 a day and those in the senate \$2.50. Of course the senate boys are jealous of those in the house and when a boy in the lower house taunted his co-worker across the hall with only receiving \$2.50, the lad resented and decided it was a caucus belli and the fight started. It was a no decision bout as spectators interfered.

LEGISLATIVE COUNCIL DESERVES THE CREDIT

At last! Victory is ours. We felicitate our legislative friends and deeply, sincerely appreciate their courteous support and vote for the partial suffrage measure granting Indiana women the voting privilege. The women have labored long and unceasingly for this boon so coveted; now it is actually ours what will we do with it? Already plans are making for practical work among our women citizens of Indiana; with the franchise privilege now in our hands, there is greater need than ever before for activity in organizations for civic interests, which will be the chief concern of every woman over 21 years of age.

We hope Indiana women will realize their obligation for this legislative success as due the Legislative Council of Indiana Women. The officers of this organization have been "on the job" both in season and out of season; in short, Mrs. McWhirter, Mrs. Stimson, Mrs. White, Miss Bosart have labored day and night for weeks for this final victory, and to these faithful officers, with the able assistance of Miss Blanche Foster, should we tender our grateful appreciation. Women from out-state have generously and with efficiency responded to the call of our leaders with money time and personal work whenever the case required aid.

The history of suffrage effort before this session would make most entertaining reading; some incidents border upon the tragic. But this is no time for recital. "Our time is one that calls for earnest deeds"—we assume responsibility of citizenship with a full sense of the service required; let us take it up bravely, use it honestly and conscientiously, lay it down triumphantly.

George Bell of Mays spent the day here today.

James Mercer of New Salem was a business visitor here today.

Big meeting at Epworth League, St. Paul's M. E. church at 6 p. m. tomorrow. Come. 30211

EGGS DOWN TO THIRTY CENTS TROOP TRAIN IN 2 SECTIONS

Local Grocers Believe, However, There Will be a Reaction.

First Goes Through at 2:56 a. m. and Second at 7:34 a. m.

The bottom appears to have fallen out of the egg market. No longer is the "hen fruit" a luxury, but how long this condition will remain is to be seen. Eggs were retailing in Rushville today at thirty cents a dozen, the lowest price since last fall. Six and seven weeks ago eggs were selling as high as fifty cents a dozen and were scarce even if the price was too high for most people. Local grocers stated today that with the drop in price the demand has been exceedingly large, many people going on the theory that eggs at this price were cheaper than meat. Many local dealers predicted a reaction and believe the price will rise before very long.

—George Mount of Moscow spent the day in this city.

Big meeting at Epworth League, St. Paul's M. E. church at 6 p. m. tomorrow. Come. 30211

We're havin' it for you. Come to the Big Meeting of the Epworth League tomorrow evening at 6 p. m. at the St. Paul's M. E. church. 30211

The Sixty-ninth New York regiment, National guard passed through here this morning on the C. I. & W., traveling in two sections of twenty-four cars each. The first section went through at 2:56 this morning and the other at 7:34 o'clock. The trains were composed of box cars, flat cars, horse cars and Pullmans. The second section made the run from Indianapolis here in remarkable time, covering the distance in one hour and four minutes. Neither of the two trains stopped here. The troops will arrive in Washington in time for the inauguration.

FIRE LOSS OF \$25

A fire loss of \$25 was sustained at the home of John Johnson, 519 East Eighth street, late yesterday afternoon when a smoke-house in which some meat was being smoked caught fire from the coals. The meat was saved but the house was badly damaged, the roof being burned off. A bucket brigade worked heroically until the fire department arrived.

Today's Want Ads

All Advertisements under this head are charged for at the rate of one-half cent per word for each insertion. The same Ad will be placed in the Indianapolis Star and Daily Republican at the combined rate of one and one-fourth cent per word.

CLASSIFIED ADVERTISEMENTS ARE NOT TAKEN AFTER 10:00 A. M. FOR PUBLICATION ON THE SAME DAY.

DEMOCRATS GO ON SPECIAL TRAIN

Indiana Delegation to Witness the Inaugural Ceremony Leaves For Washington.

WILL VISIT MANY PLACES

Will Spend Some Time at White Sulphur Springs, Place of President's Birth.

(By United Press.) Indianapolis, Ind., March 3.—Indiana democrats who will witness the inauguration of President Wilson in Washington on Monday, left at 3 o'clock this afternoon for the capital city on a special train. The inaugural special will go to Cincinnati and from there to White Sulphur Springs, W. Va., the birthplace of the president. When the party reaches Staunton, Va., the members will march to the First Presbyterian church where services will be conducted by the Rev. Owen D. Odell, pastor of the Second Presbyterian church of Indianapolis. The Hoosiers will place a bronze

DRINK HOT WATER IF YOU DESIRE A ROSY COMPLEXION

Says we can't help but look better and feel better after an inside bath.

To look one's best and feel one's best is to enjoy an inside bath each morning to flush from the system the previous day's waste, sour fermentations and poisonous toxins before it is absorbed into the blood. Just as coal when it burns, leaves behind a certain amount of incombustible material in the form of ashes, so the food and drink taken each day leave in the alimentary organs a certain amount of indigestible material, which if not eliminated, form toxins and poisons which are then sucked into the blood through the very ducts which are intended to suck in only nourishment to sustain the body.

If you want to see the glow of healthy bloom in your cheeks, to see your skin get clearer and clearer, you are told to drink every morning upon arising, a glass of hot water with a teaspoonful of limestone phosphate in it, which is a harmless means of washing the waste material and toxins from the stomach, liver, kidneys and bowels, thus cleansing, sweetening and purifying the entire alimentary tract, before putting more food into the stomach.

Men and women with sallow skins, liver spots, pimples or pallid complexion, also those who wake up with a coated tongue, bad taste, nasty breath, others who are bothered with headaches, bilious spells, acid stomach or constipation should begin this phosphate hot water drinking and are assured of very pronounced results in one or two weeks.

A quarter pound of limestone phosphate costs very little at the drug store but is sufficient to demonstrate that just as soap and hot water cleanses, purifies and freshens the skin on the outside, so hot water and limestone phosphate act on the inside organs. We must always consider that internal sanitation is vastly more important than outside cleanliness, because the skin pores do not absorb impurities into the blood, while the bowel pores do.

Don't Value Yourself Too Low

In investing in Life Insurance many men make the mistake of insuring their lives for a small amount because they fear the payment of the premium on a large sum will embarrass them financially. Your life has a definite value measured in dollars and cents, measured by your income, your prospects, the responsibilities of your family. Let the Life Insurance man help you determine your value. Don't be afraid to insure your life for what it is worth. By making regular deposits of a small proportion of your income in a Savings Account you will not only soon accumulate the first full year's premium, but you will be able to easily meet subsequent premiums as they fall due.

LAST OF SILK HAT
STATESMEN RETIRES

Senator O'Gorman Ends His Term in
Public Life When Congress
Adjourns Monday.

IN PUBLIC LIFE 24 YEARS

(By United Press.)
Washington, March 3.—United States Senator O'Gorman of New York, the last of the silk hat statesmen of the old order, will close his public career when the Senate adjourns Monday night.

"I have completed an uninterrupted public service of 24 years," said the Senator today, "18 years as judge and 6 years as senator; and I must now give attention to my private affairs."

Senator O'Gorman was the only influential Tammany leader who supported Woodrow Wilson for the presidency from the first. In the early days of Wilson's first administration he was very close to the President and regarded as his personal spokesman on both sides of the Capitol.

Political differences later over the appointment of the the Senator's son-in-law, Dudley Field Malone, as Collector of the Port of New York, caused O'Gorman to be less popular with the administration. Secretary McAdoo, President Wilson's son-in-law, wanted Frank Polk, now assistant Secretary of State, appointed to the place.

TAXES ADD TO THE
COUNTY'S DEPOSITS

Collections Last Month and Sale of
Two Bond Issues Serve to In-
crease Bank Account

TAXES ALONE ARE \$50,000

At Close of Business February 28
County Had on Deposit \$262,-
922.56—Interest \$338.72

Tax collections and the sale of two bond issues tended to increase the deposits of Rush county during the past month. At the close of business on February 28 the county had the sum of \$262,922.56 in the various banks of the county. This sum netted the county \$338.72 in interest. Last month the deposits amounted to \$209,477.54. During the month over \$50,000 was collected in taxes and the two bond sales brought over \$11,000.

The deposits in the banks were as follows:

Rush County National	\$63,029.03
Rushville National	49,760.63
Peoples National	37,962.48
Peoples Loan & Trust	20,529.51
Farmers Trust	15,040.63
Carthage bank	34,218.40
Arlington bank	6,312.96
Manilla bank	5,641.02
Milroy bank	9,592.11
Mays bank	8,300.58
Falmouth bank	4,069.80
Glenwood bank	8,465.41

Total \$262,922.56

The interest paid by the banks on these deposits follow:

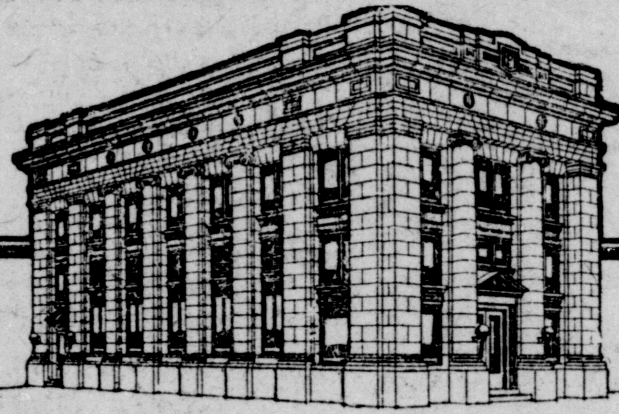

Rush County National	\$79.09
Rushville National	65.87
Peoples National	50.47
Peoples Loan & Trust	25.25
Farmers Trust	19.79
Carthage bank	45.41
Arlington bank	8.90
Manilla bank	7.46
Milroy bank	9.50
Mays bank	10.95
Falmouth bank	4.47
Glenwood bank	11.56

Total \$338.72

JUDGE WILL HALT SCHEME

Will Prevent Establishment of Sa-
loon on Strip Across State Line

Evansville, Ind., March 3.—Liquor men who after the prohibition law is effective have been contemplating establishing a saloon on the strip of land on the Indiana side of the Ohio river which is owned by Kentucky, will be disappointed. County Judge Young of Henderson has declared that he will grant no one a permit to operate a saloon on the property. The Kentucky law holds that no liquor may be sold on the strip except in a tavern which could be built only for the accommodation for travelers when absolutely necessary. And Judge Young is the one to decide when such a necessity exists.

TRIES TO JUSTIFY GERMANY FOR SEEKING AN ALLIANCE

Foreign Secretary Zimmermann Declares Plot to Ally Mexico and Japan Against United States is Not Inspired by Unfriendliness But That it is a Means Universally Admitted in War in Case United States Declared War Against Germany. Most Important Part About it, He Says, is Its Conditions.

ADMITS SUCH A CONSPIRACY EXISTED

No More a Plot Than "Plot" Reported in South America to be Attempted by United States

AGAINST GERMANY, HE SAYS

Zimmermann America Country Tried to Line up Neutrals in Opposition to His Country

(By United Press.)
Berlin, (Via Sayville), March 3.—Foreign Secretary Zimmermann today justified Germany's action in seeking to ally Mexico and Japan against the United States.

Such a course, he said, was merely a defensive measure, not to be carried out except in case the United States declared war on Germany. Moreover, he said it was no more a plot than the "plot" which was reported in South American newspapers as having been undertaken against Germany by the United States when America sought, according to South American and other newspaper representatives to line up American republics in common action against Germany.

Zimmermann said: "I fail to see how such a plot is inspired by unfriendliness on our part.

"It would mean nothing but that we would use means universally admitted in war in case the United States declared war.

"The most important part of the alleged plot is its conditions and form. The whole plot falls flat in case the United States does not declare war against us.

"And if we really as the report alleges consider the possibility of a hostile act by the United States against us then we really had reasons to do so."

TO VOTE ON ESPIONAGE BILL

House Committee Decides to Ask for Special Rule Late Today

Washington, March 3.—Chairman Webb of the house judiciary committee will ask for a special rule late today on the general espionage bill passed by the senate. This was decided on at a meeting of the committee this morning.

DISPLAYS RECRUITING SIGN

Postmaster Hunt Unfurts Big Blue Flag in Front of Postoffice.

A big blue flag emblematic of the United States army recruiting station was unfurled at the postoffice this afternoon. Under a recent order of the postoffice department the postmasters are authorized to act as recruiting agents for the army and the flag will serve to impress on the public the need for more men for the army at this particular time. Under this act the postmaster is allowed a fee of \$5 for every man recruited. Postmaster Hunt has previously announced that he will donate his fee to the Red Cross.

Stops Fight In Senate

Germany's Unabashed Acknowledgement of Conspiracy Designed for Invasion of United States Removes Opposition to Armed Neutrality Bill.

CREATES DEEP IMPRESSION

By ROBERT J. BENDER
(U. P. Staff Correspondent.)

Washington, March 3.—Germany's unabashed acknowledgement today of conspiracy to align Japan and Mexico for invasion of United States appears to have removed the last opposition in the senate to the armed neutrality bill.

First news of the Berlin admission was read into the record. It created a profound impression on senators, being reread by unanimous request.

It made absolutely certain that before midnight President Wilson will have the fullest authority of congress to arm American merchantmen against submarine attacks and uphold American rights at sea through "other instrumentalities."

Republicans amazed at what some called "brazen" admission from Berlin, announced the measure would have their ungrudging support.

Senator Brandegee, Connecticut, opened the debate on the bill at the morning routine, urging union of all factions in a face-about against Germany.

He declared war should immediately result if Germany should sink another American ship after arming by the government.

"If another of our vessels is sunk after this action by the congress then there would be war if this country is fit to live," shouted Brandegee.

The senate failed to ballot on the armed neutrality bill last night after eight hours of strenuous debating. Recess was taken early this morning until 10 a. m. but no time was set for a record vote.

The agreement for the recess was reached after Senator LaFollette had withdrawn his objection to a proposal by Senator Hitchcock that the bill passed by the house be taken up by unanimous consent as a substitute for the broader senate measure, which retains the provision that the president shall use "other instrumentalities" if necessary, in addition to arming merchant ships, in protecting the lives of Americans. The senate bill is the one that the president has endorsed.

Democrats in charge of the bill proposed substituting the house measure so that the bill could go into conference immediately after its passage by the senate, instead of having to be sent back to the house. Senator LaFollette, upon whose attitude virtually depends the time for a vote in the senate, declined to agree upon an amendment. The vote was 18-12 in favor of the house measure. Numerous senators will have to make up their minds before the bill is taken up in conference.

Admission of Plot Does Not Alter the Case

(By United Press.)

Washington, March 3.—President Wilson will not call an extra session now, it was officially learned today. If the present congress can complete its work, developments in the international situation are not such as to warrant a call for assembling the new congress at this time.

State department officials said that the fact that Germany admitted her act did not alter the diplomatic situation.

"We were convinced of the authenticity of the plot," said one official, though he added that what Germany had to say might have a bearing on whether or not the admission aggravated the situation.

Authorities felt the admission would have the immediate effect of solidifying patriotic sentiment in congress and the nation and might swerve the doubting.

CONGRESS ADJOURNS AT NOON TOMORROW

Clock Will be Stopped Tonight and Will Not be Set Right Until After Adjournment

NO EXTRA SESSION IN VIEW

(By United Press.)

Washington, March 3.—The second session of the sixty-fourth congress will adjourn sine die at noon tomorrow.

Adjournment may actually come several hours after noon Sunday but tonight the congress clock will be stopped and set right again only after the present congress is history.

There will be no extra session until June at the earliest unless international possibilities make it essential that senate and house meet sooner.

It is confidently predicted by leaders of both parties the armed merchantmen bill—as the president wants it—will go through both houses.

The first work of the next congress when it is called in and after the month or more than may be necessary for organization, will be to pass any appropriations lost by the dying congress.

Even if the army appropriation bill, one of the most important which congress handles, is lost, the president is determined not to call the extra session Senator Lodge and other republican leaders have been openly fighting for.

The bill and probably it would be late today before the bill went to conference. Administration leaders are confident that the senate measure will prevail in the conference and that the house will accept it.

Debate on the bill ran the whole scale of the nation's foreign relations. It gave senators a long-awaited opportunity, however, to declare their convictions in the international crisis and the debate proceeded with deliberation despite the knowledge that it now is Senate action on which the president is waiting. There were no party lines, and most of the pacifist element of the senate declared a willingness to fall in behind the president in his move toward armed neutrality.

WONDER IF GERMAN SPIES VISITED HERE

Some Rushville Persons Believe Suspicion Was Correct Since Intrigue Has Been Disclosed

TWO MEN HERE LAST SUMMER

Spent More Than Week Apparently Making Maps—German Here Recently Aroused Suspicion

Have German spies ever visited in this county to gather information regarding the topography and general conditions in case Germany should ever go to war with the United States?

There are some persons in Rushville who suspected such a thing but their suspicions were based on such slight foundation that they hesitated to say anything. However, since the revelation of the intrigue on the part of Germans that has extended to all parts of the United States, have been disclosed it is no longer believed that some things which have transpired in Rush county in the last several months are just figments of the imagination.

Last summer two strange men spent more than a week in Rush county and were apparently engaged in making maps. No one was ever able to discover what their business here was. A few weeks ago a stranger spent several days here, ostensibly as a representative of a fertilizer company, but he devoted all of his time to upholding the cause of Germany.

The two men here last summer aroused suspicion by their actions. Attention was directed to them when they attempted to buy some tracing cloth. Failing to find it at stores, they were directed to a Rushville man who was believed to have some. He provided them with some of the tracing cloth, but they were very discreet about their business here and refused to discuss the subject at all.

The two men said they had exhausted their supply of tracing cloth before they had expected to and that they did not have time to get any elsewhere immediately. They would likely use tracing cloth for but one thing—making maps. When the suspicions of the man who sold them tracing cloth were aroused, he attempted to learn something about their business here, but they were silent as the Sphinx on that topic.

It was found that they drove out of Rushville each day and returned late at night. They carried cameras. It was observed that they apparently were employed by no firm. They sent out a letter each day, it is said, in a plain envelope.

The other man who aroused suspicions by his unusual partisanship for Germany posed as an agent for a fertilizer manufacturing establishment, but persons who became interested in him could not understand why he should spend a week or ten days here and do nothing much, but loaf around cigar stores and bowling alleys.

This man said he was a native of Germany and that he did not return to his country because he did not want to fight. According to his story, his father was a very influential citizen, being the manager of a large string of packing houses.

This alleged fertilizer salesman managed to get into several heated arguments about the war in public places. Much of the sentiment was pro-ally and some bad feeling was engendered. It is said that a Rushville man called the German to one side and told him he had better not be too caustic or he might cause trouble. The next day he disappeared and has never returned.

LOCAL MAN HONORED

Indianapolis, Ind., March 3.—J. V. Masters of Rushville was elected president of the history section of the Indiana State Teachers' association today at the annual meeting.

DIRECTORS ARE RE-ELECTED

Dr. F. M. Sparks is Chosen to Fill Out Unexpired Term of A. L. Gary

The three directors of the Rush County Chautauqua association whose terms expired October 16, 1916 were re-elected last night at the annual meeting of the chautauqua guarantors in the court house assembly room and Dr. Frank M. Sparks was chosen to fill out the unexpired term of A. L. Gary who failed to sign a guarantors card through an oversight. The directors re-elected are R. G. Budd, R. A. Innis and E. R. Casady and their terms are for three years each.

T. M. Green, the president of the board, will call a meeting soon and the board will reorganize.

DECLARES THAT HE WILL LEAVE HOUSE

Representative Gentry of Bloomington Asserts Integrity Has Been Questioned by Fellow Member

REGISTRATION BILL PASSES

(By United Press.)

Indianapolis, Ind., March 3.—Representative Gentry of Bloomington created a sensation in the lower house of the legislature today when he declared that his integrity had been questioned in connection with the passage of the bill appropriating \$350,000 for a new Indiana medical school, demanded the bill be recalled from the senate and then declared he would resign as a member of the house.

It was explained that it was impossible to recall the bill from the senate as it had already been passed by the upper house. Following Gentry's speech the house adopted resolutions pledging its faith in Gentry's action and completely absolving him from any blame.

The Mason bill providing for registration from April 1 to twenty-nine days before general election passed the senate. The McClaskey bill, establishing a state historical commission was also passed.

The specific appropriations bill was amended to give \$10,000 towards the establishment of a memorial of the battle of Lake Erie; \$5,000 to the state farm in Putnam county for the establishment of a dairy farm.

FAMILY STRANDED HERE BY SICKNESS

Mr. and Mrs. Lee Million and Five Children Under Care of Salvation Army for Few Days

ARE ON WAY TO HAMILTON, O.

A pathetic case was brought to the attention of Capt. Tharp of the Salvation Army last night. Mr. and Mrs. Lee Million and five children, their ages ranging from fourteen months to 10 years, appealed to the Salvation Army for help. The youngest child was ill and the father stated they had been since Monday enroute from St. Louis to Hamilton, O. and had been compelled to stop four times on account of the child's condition.

Capt. Tharp took them into his home and a physician found the little child to be suffering from double pneumonia. The family is in destitute circumstances, and Capt. Tharp states it is a worthy case. He will keep the child at his home until it recovers and today was seeking aid from the public as he is not able to stand the expense himself.

Mrs. Ed Langhorne of Falmouth

spent this day here on business.

HILBERT AND HIS WIFE HELD FOR MURDER

Orange Farmer, Father of Russell J. Hilbert, and Boy's Step-mother Freed and Arrested.

PROSECUTOR FILES CHARGES

Attorney for Hilberts Get Release on Writ of Habeas Corpus and They Are Rearrested.

PRELIMINARY LIKELY MONDAY

Grand Jury is Called to Meet Then to Investigate Mysterious Death Two Weeks Ago.

Following their release on habeas corpus proceedings instituted in the Fayette circuit court, Herman Hilbert and his wife, Lillian Hilbert of near Orange were re-arrested late last night on an affidavit charging first degree murder in connection with the death of Hilbert's little son, Russell J. Hilbert, who died suddenly in convulsions two weeks ago today. The affidavit charging murder was filed by James Clifton, prosecuting attorney of Fayette county.

The Hilberts have been held in the Connersville jail merely on suspicion since one week ago yesterday. The officers have intimated that they knew more about the death of the little boy than has been told, but no charges were placed against them up until last night. Late yesterday afternoon Frank M. Edwards, acting as their attorney, instituted the habeas corpus proceedings against the officers and last night shortly before ten o'clock Judge Springer granted the writ.

As the Hilberts were leaving the court room they were formally arrested on the charge of murder. The habeas corpus proceedings tended to force the officers to show their hand and in order to hold the parties the prosecutor found it necessary to file the affidavit. They were taken back to jail without bond. The grand jury has been called for Monday when an investigation of the case will be made. The arrest of Hilbert and his wife will in no way affect the action of the grand jury.

First indications today were that a preliminary hearing would be held this afternoon, but it was announced at Connersville that there would be no preliminary for the couple until Monday, and possibly not then.

Coroner Cooper had not yet filed his verdict this afternoon and there was no intimation of when he would likely place it on file.

Herman Hilbert and his wife were first arrested after the coroner had received a report that the boy's stomach contained traces of strychnine. He ordered them held pending an investigation. It has been generally understood that his investigation was to close today and this may have led to the effort to get the parties out of jail. They were free for the time being, but the prosecutor headed off the attempt to turn them loose by filing the affidavit.

Judge Springer did not hesitate to grant the writ of habeas corpus as they had been in jail for a week without the sign of a charge and without any positive statement as to when one would be filed.

The little boy's body was exhumed last Sunday and additional tests made for poison, all as understood that the coroner received his report on this last test yesterday afternoon.

The Ensworth League will have their regular meeting tomorrow evening at 8 o'clock at the Masonic temple. There will be a social hour and talk on "The World's Greatest Good." Senreco

—the tooth paste that is fighting the most general disease in the world. Use it twice daily. See your dentist twice yearly.

Get a tube today, read the folder about this disease, and its symptoms and start the Senreco treatment tonight. 25c at your druggist. For sample send 4c stamps or coin, to The Santanel Remedies Co., Cincinnati, Ohio.

VEGETABLE CALOMEL

Vegetable calomel, extract of the root of the old-fashioned may-apple plant, does not salivate. As a liver stimulant, it's great. It's a perfect substitute for ordinary calomel (mercury); in fact, it's better, because its action is gentle instead of severe and irritating—and it leaves no mean, disagreeable after-effects. Physicians recognize this and prescribe may-apple root (podoophyllin, they call it) daily.

Combined with four other standard, all-vegetable remedies, may-apple root may now be had at most any druggist's in convenient sugar-coated tablet form by asking for Santanel Laxatives. If you forget the name, ask for the box that has the picture of the soldier on it.

These tablets are small, easy to take and are really wonderful little performers.

They quickly clean out the poisons that are causing you headache, constipation, sour stomach, biliousness, dizzy spells, bad breath and coated tongue.

They are mild. They never grip. And they are a bowel tonic as well as a cleanser and liver regulator. A 10c box should last one several weeks. A Physician's trial package (4 doses) will be mailed you free if you write mentioning this advertisement. The Santanel Remedies Co., 802 Madison Ave., Covington, Ky.

Amusements

The Gem will show King Baggot and Jane Gail in the drama "The Heal of the Law" for the first picture of tonight's program. The second is entitled "The Last of the Morgans" and the program ends with the comedy "Eat and Grow Hungry."

The Lyric offers the two reel drama "A Modern Knight" for the first picture of the Saturday night program. Margaret Gibson and William Clifford are featured. The second picture is a drama "A Siren of the Jungle." The last is a comedy "The Iron Mitt" in which Ben Turpin and Rena Rodgers are featured.

The Princess offers the five act comedy feature "Old Dutch" for the first picture of tonight's program. Lew Fields and Vivian Martin are featured and it is said to be one of the best comedies ever produced. In addition to this Fatty Arbuckle will be seen in the comedy "The Bright Lights." On Monday Lew Fields will be seen in the comedy drama "The Man Who Stood Still."

Russell Kirkpatrick spent the day in Indianapolis.

Merl Pierson is spending the week-end in Falmouth.

Mr. and Mrs. E. W. Bell visited in Indianapolis today.

Frank Powell is spending the week-end in Dayton, Ohio.

Miss Edna Beyer of Milroy visited in this city today.

Henry Showalter of New Salem visited friends here today.

John Lewis spent last evening with friends in Indianapolis.

Edmund Gartin was a business visitor in Indianapolis today.

Francis Knecht transacted business in Indianapolis today.

Frank Hagerty will spend Sunday with relatives in Cincinnati.

William Ray of Arlington spent the day in this city on business.

Wilbur Stevens of New Salem was a business visitor here today.

Mr. and Mrs. H. E. Daubenspeck spent the day in Indianapolis.

William Wedger of Franklin is the guest of friends here for a few days.

Mr. and Mrs. Russell Baker of Raleigh visited in Indianapolis today.

Halbert Brown and Harold Perkins visited friends in Glenwood last night.

Miss Ella Miller of Indianapolis is the guest of Mr. and Mrs. Jacob Kuntz of North Julian street.

For the Past Three Years

The management of the city's affairs have been efficiently and economically handled under the guiding hand of MAYOR C. L. BEBOUT. Why make a change?

Past experiences should prove a benefit in the future. Business-like methods have prevailed during this period and there never has been a time when he failed to devote his time to the city's interests. In this period Mayor Bebout has not missed a single session of the city council, and in addition to these duties has disposed of 396 cases in police court.

Platform pledges have been kept regarding law enforcement and to this end Rushville has been made a better place in which to reside.

It is not necessary to have a lawyer at the head of the city government. In the past three years the City has lost but one law suit—that a hopeless case—taken to the higher courts in the interests of the merchants of the city.

FOR CONTINUED GOOD GOVERNMENT SELECT

DRINK HOT TEA FOR A BAD COLD

Get a small package of Hamburg Breast Tea, or as the German folks call it, "Hamburger Brust Thee," at any pharmacy. Take a tablespoonful of the tea, put a cup of boiling water upon it, pour through a sieve and drink a teacup full at any time during the day or before retiring. It is the most effective way to break a cold and cure grip, as it opens the pores of the skin, relieving congestion. Also loosens the bowels, thus driving a cold from the system.

Try it the next time you suffer from a cold or the grip. It is inexpensive and entirely vegetable, therefore safe and harmless.

RUB BACKACHE AND LUMBAGO RIGHT OUT

Rob Pain and Stiffness away with a small bottle of old honest St. Jacobs Oil

When your back is sore and lame or lumbago, sciatica or rheumatism has you stiffened up, don't suffer! Get a 25 cent bottle of old, honest "St. Jacobs Oil" at any drug store, pour a little in your hand and rub it right into the pain or ache, and by the time you count fifty, the soreness and lameness is gone.

Don't stay crippled! This soothing, penetrating oil needs to be used only once. It takes the ache and pain right out of your back and ends the misery. It is magical, yet absolutely harmless and doesn't burn the skin.

Nothing else stops lumbago, sciatica and lame back misery so promptly!

WALTER F. EASLEY
Candidate for the Republican Nomination for City Clerk
March 6th

LISTEN TO THE EVERWELLS

AT-CHOO!

You bet I'll cure this cold up quick. I don't believe in being sick!

Don't let a cold bother the life out of you. I'll tell you of a drug store where they will sell you a cold remedy that will relieve you at once. Our folks have done business with these people for a long time and we recommend them highly.

Growth of Movie Business.

Fifty thousand miles of motion picture films, or enough to stretch twice around the globe at the equator, passed through the Customs Houses of the United States in the calendar year 1916; 43,000 miles of this was American films being exported, the remainder European films being imported.

A compilation by the Foreign Trade Department of the National City Bank of New York shows that nearly \$10,000,000 worth of motion picture films made in the United States were sent to foreign countries, and our own colonies, and over \$1,000,000 worth of foreign films were imported during the calendar year 1916. The exports of the year are the largest in the history of this comparatively new feature of our international trade. They totalled in the calendar year 1916, 224,518,880 feet, national trade. They totalled in the calendar year 1916 224,518,880 feet, equivalent to over 42,000 miles, and the imports, 43,372,214 feet, aggregating about 8,000 miles, thus justifying the statement that the length of the films passing through the Customs Houses of the country in a full calendar year, was sufficient to stretch twice around the globe at the equator, and that four-fifths of this enormous total was American films exported.

The exportation of motion picture

Is the Food Famine Genuine or Artificial?

Hunger riots in New York, the richest city of the Union, in a period of unprecedented national prosperity, are startling enough to arrest the attention of City, State, and Federal Legislators. When women of various tenement districts of New York and Brooklyn began a campaign of riotous protest against the high price of food in the local markets, they upset the push-carts and barrows of the food peddlers, threw kerosene on the stock, improvised boycotts, and drove away intending purchasers. Hundreds of them marched to the City Hall and demanded food from the Mayor. Even if the charge is true that these riots were stage-managed and accelerated by agents of the Central Powers who wish to see Congress supplement Germany's submarine campaign by placing embargoes on the exportation of food-stuffs to the Entente Allies, they nevertheless emphasize the situation which bears down with special severity upon the poor.

The New York *World* blames the food speculators for these conditions and urges the State to exercise its police power and take over the food supply. From another source, the railroads are blamed, because they do not give food shipments preference over other commodities. And so it goes. Meanwhile, despite the fact that the country is within the shadow of impending war with Germany, the question of feeding the people of America is arousing vast interest.

In THE LITERARY DIGEST for March 3d, the leading article covers this subject from all angles and suggests methods of cure.

An Impartial Survey of Facts

This is an age of what President Wilson has termed "pitiless publicity." Everything finds its way into print and the vast quantity of matter with which our daily and weekly press is flooded is simply staggering to the man who wishes to learn the essential news of the day and yet dislikes employing a muck-rake or a fine-toothed comb to arrive at it. To this man and to the many thousands of men and women who feel as he does the weekly appearance of THE LITERARY DIGEST is a rare boon. Not only does it give him the news in an instantly accessible form, free from all unessential matter, but it quotes papers of the most widely divergent views upon all the vital questions of the hour, thus affording an unbiased survey of everything of importance that is taking place in the world. Here you get the meat of public events. The current number is a fine example.

The Literary Digest

FUNK & WAGNALLS COMPANY (Publishers of the Famous NEW Standard Dictionary), NEW YORK

films from the United States has grown very rapidly. It was only in 1912 that the exportation of this class of merchandise was considered of sufficient importance to justify a mention in the statistics of our international commerce. In that fiscal year the total exports of films amounted to 80,000,000 feet. By 1914 it was 185,000,000 feet, in the calendar year 1915, 199,000,000 feet, and in 1916, as above indicated, 224,518,880 feet, exclusive of approximately 5,000,000 feet sent to Porto Rico and Hawaii. The value of the exportations of 1916 was \$9,261,075 against \$6,713,174 in 1915, and \$4,742,620 in 1914.

The United States is by far the world's largest manufacturer of motion picture film. While no exact figures are available on the quantity of film now produced in the United States, an estimate based upon the known quantity exported suggests that the entire domestic production considerably exceeds 1,000,000,000 feet, with a value of approximately \$40,000,000.

The character of the views presented on the 30,000,000 miles of "exposed" ready-to-use film exported is quite similar to that of the films in use in the United States, probably three-fourths being photoplays, and the remainder chiefly travelogues, "news service," and comedies.

Well, anyway, Tom Lawson has been swallowed up in a bigger scare. Verily, there is some consolation even in our greatest misfortunes.

Some sensitive people are beginning to wonder if a man will feel any more in the next world.

being blown up by a mine, than he would have felt had he been sunk by a submarine.

Bankers don't like the new coins because they say they are hard to stack. But we are not running a bank.

An exchange says a man should have a good excuse ready before committing a mean act. The average man has. He's the excuse.

FEW BILLS REMAIN.

Indianapolis, Ind., March 3.—Fewer bills are awaiting action in the lower house of the legislature today than have been in that body at a corresponding time during any previous session of the legislature, according to Speaker Eshbach. About ten bills were ready to be placed on passage when the house met today. Many bills are held up in the senate.

Only by expediting work during the last two weeks has this been made possible.

GIVES RUSHVILLE QUINTET A SCARE

Franklin High School Basketball
Team Gets Dangerously Close
to Local Five

RUSHVILLE WINS HOWEVER

With Constant Threat of Having
Score Tied, Pull Out in Lead
and Game Ends, 23 to 19

Franklin threw a big scare into the Rushville team last night and before the locals realized what was going on, had drawn dangerously close to Rushville. The final score was 23 to 19 with Rushville in the lead. The close score was about the only good feature of the game.

Rushville showed a reversal of form, while Franklin put up a scrappy game and outplayed the locals in the final period. The locals failed to connect with the basket and for a time in the final half it appeared Franklin would tie the score. At one time in this period the score stood 21 to 19.

The game started with a rush and the locals had a hard time making a start. Several times during the first half the score was tied and along towards the close Rushville drew away and the half ended 12 to 8. Franklin came back strong and the greatest lead Rushville could maintain was four points.

Rushville may have been too confident but whatever the cause the team failed to show the same fighting spirit that has marked past games. Because the score was close the large audience was given a thrill but the score was no fair indication of the strength of the two teams.

The outstanding feature of the game from a Rushville standpoint was the work of Reed at guard. Reed put some life in the play when in the first half with the score very close he dribbled the ball the entire length of the floor and then threw the goal. He made two field goals in the first half.

For Franklin the work of Forsythe at center and the guarding of Friddle were the outstanding features. Forsythe was put out of the game near the close for personal fouls and the chances of his team overtaking Rushville went glimmering. Had Rushville made all the baskets they shot for there is no telling what the score would have been. The team will be put through some stiff workouts this week in preparation for the district tournament at Richmond. The game last night was the last home game of the season for the locals. The lineup and summary:

Rushville (23)	Franklin (19)
Thorpe	Pierson
Forward	
Keating	Bridges
Forward	
Martin	Forsythe
Center	
Newhouse	Dupree

Harley Frazier for Mayor

HE'S A MAN, TOO

Why Not a Lawyer?

—but pleasing your
taste isn't all

Not by a long shot! Because lots of cigarettes may please your taste—you've never expected a cigarette to do more than that.

But Chesterfields do something else besides please the taste—

Chesterfields just "touch the spot," they do what cigar smokers say a cigarette can't do—they "SATISFY"!

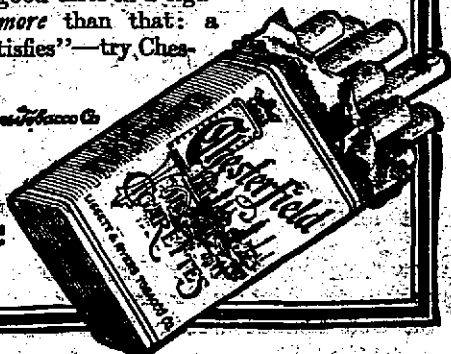

And yet, they're mild!

It's the blend—that's the idea! That, together with the extra high-quality of the Imported and Domestic tobaccos. And the blend can't be copied.

If you want good taste in a cigarette, and then more than that: a cigarette that "satisfies"—try Chesterfields, today.

Exported by American Tobacco Co.

SOCIETY NEWS

Church Societies, Parties, Weddings, Dances, Literary and Musical Organizations, Sewing Circles, Card Clubs and Many Other Things of Interest to Women.

The Musicals will meet Monday evening in the Graham Annex auditorium. The members are entitled to bring guests, with an admission of ten cents for each guest. A special program will be offered at the meeting.

The Women's Home Missionary society of St. Paul's M. E. church will meet at the home of Mrs. Lon Havens next Thursday afternoon. A market will be held in connection with the meeting and will be given by the first division.

Mrs. James Mattox had as dinner guests today Mrs. Thomas Havens of Fort Wayne, Mrs. O. W. Holmes of Marion and Mrs. Isom Stevens, tomorrow Mrs. Holmes and Mrs. Havens will be the guests of Mrs. Stevens.

Mrs. Ab Denning entertained ten members of the Thimble club yesterday afternoon at her home just west of the city. The house was decorated with spring flowers and ferns, the decorations also being used on the table, at which the guests enjoyed a splendid two course luncheon, after an enjoyable afternoon over cards.

Mr. and Mrs. Herman Miller entertained at dinner yesterday at their home near Milroy the following guests: Mr. and Mrs. Herbert Meek, Mr. and Mrs. James Anderson and son, Mr. and Mrs. Lon Innis, Mr. and Mrs. E. H. Innis, Mrs. Flo Crosby and the Misses Jesse and Mary Anderson of this city. Spring flowers and ferns adorned the rooms and these flowers were also used on the table.

One of the most enjoyable parties of the season was in the form of a pitch-in, which was given by Miss Helen Frazee at her home in North

Main street last night, following the basketball game. Among those who enjoyed the affair were the Misses Esther Anderson, Mary Louise Bliss, Dorothy Sparks, Dorothy Mulno, Lois Reeve, Helen Frazee, Norman Reed, Harry Schmalzel, Thomas Saunders, Hubert Alexander, Dwight VanOsdol and Harold Wolcott.

The home of Miss Fern Ormes was beautifully decorated with ferns and other potted plants, when it was the scene of a pretty party given in honor of her twelfth birthday. Games and music were enjoyed throughout the afternoon and dainty refreshments were served.

Those present included the Misses Mable Wilson, Mildred Newbold, Lorene Robinson, Rena Route, Alice Chadwick, Margaret Oster, Pauline Ryan, Charlotte and Mary Anna Holeman, Mildred Retherford, Ruby Carr, Zelma Williams, Mary Mel-lwain, Ruth Weber, Mary Louise Gregg, Irene Abernathy, Lillian Gregg, Zella Poston and Marian and Virginia Lucas.

A surprise was given on Harry Mahan principal of the Arlington high school, last night, by the teachers and his friends of Posey township. Today is his birthday and they presented him with books to show their appreciation of his interest and co-operation in the school. A pitch-in supper was served during the evening, and among those who enjoyed the social time were Mr. and Mrs. Harry Mahan and family, the Misses Mary Metsker, Margaret King, Erema Wilk, Kathryn Newsome, Mr. and Mrs. Floyd Woods and guests, Mr. and Mrs. Reeves Woods, Mr. and Mrs. Fred Catt and son Leroy, Mr. and Mrs. L. Downey and daughter Mrs. Lettie Woods, and daughter Maude, Miss Sile Woods, Mrs. Irvin and Miss George.

MRS. GENEVA GORDON DIES

Expires South of Arlington of Appendicitis and Peritonitis

Mrs. Geneva Gordon, 52 years old, widow of the late Ephram Gordon, died this morning at six o'clock at her home south of Arlington, following an illness from appendicitis and peritonitis. Mrs. Gordon had been in ill health for some time and recently suffered an attack of appendicitis. Peritonitis developed and her death had been expected. She is survived by four children, Mrs. Wilma Anderson of Illinois, Miss Esther Gordon, Carl and Ralph Gordon. The funeral arrangements have not been completed.

WHAT-YOU-MAY COLUMN

BY "GM."

Tea.

Tea used to be a strong, virulent drink. But today it is so weak it has to ride to the dining room on a thirty dollar wagon. We owe some department stores or other that much besides a debt of gratitude for supporting our share of the now puny and decrepit beverage to the table. We know a man who frequently drives his wife into a blind rage by saying: "Agnes, if the tea isn't able to be n and around today you might wheel us in a cup." One of these days she'll hit him with the wagon.

Today's Legislative Oddity

Indianapolis, Ind., March 3. Pages in the house receive \$3 a day and those in the senate \$2.50. Of course the senate boys are jealous of those in the house and when a boy in the lower house taunted his co-worker across the hall with only receiving \$2.50, the lad resented and decided it was a canons bell and the fight started. It was a no decision fight.

LEGISLATIVE COUNCIL DESERVES THE CREDIT

At last! Victory is ours. We felicitate our legislative friends and deeply, sincerely appreciate their courteous support and vote for the partial suffrage measure granting Indiana women the voting privilege. The women have labored long and unceasingly for this boon so coveted; now it is actually ours what will we do with it? Already plans are making for practical work among our women citizens of Indiana; with the franchise privilege now in our hands, there is greater need than ever before for activity in organizations for civic interests, which will be the chief concern of every woman over 21 years of age.

We hope Indiana women will realize their obligation for this legislative success as due the Legislative Council of Indiana Women. The officers of this organization have been "on the job" both in season and out of season; in short, Mrs. McWhirter, Mrs. Stimson, Mrs. White, Miss Bosart have labored day and night for weeks for this final victory, and to these faithful officers, with the able assistance of Miss Blanche Foster, should we tender our grateful appreciation. Women from out-state have generously and with efficiency responded to the call of our leaders with money time and personal work whenever the case required aid.

The history of suffrage effort before this session would make most entertaining reading; some incidents border upon the tragic. But this is no time for recital. "Our time is one that calls for earnest deeds"—we assume responsibility of citizenship with a full sense of the service required; let us take it up bravely, use it honestly and conscientiously, lay it down triumphantly.

George Bell of Mays spent the day here today.

James Mercer of New Salem was a business visitor here today.

Big meeting at Epworth League.

EGGS DOWN TO THIRTY CENTS TROOP TRAIN IN 2 SECTIONS

Local Grocers Believe, However, There Will be a Reaction.

The bottom appears to have fallen out of the egg market. No longer is the "hen fruit" a luxury, but how long this condition will remain is to be seen. Eggs were retailing in Rushville today at thirty cents a dozen, the lowest price since last fall. Six and seven weeks ago eggs were selling as high as fifty cents a dozen and were scarce even if the price was too high for most people. Local grocers stated today that with the drop in price the demand has been exceedingly large, many people going on the theory that eggs at this price were cheaper than meat. Many local dealers predicted a reaction and believe the price will rise before very long.

George Mount of Moscow spent the day in this city.

Big meeting at Epworth League.

St. Paul's M. E. church at 8 p. m.

Big meeting at Epworth League.

First Goes Through at 2:56 a. m. and Second at 7:34 a. m.

The Sixty-ninth New York regiment, National guard passed through here this morning on the C. I. & W., traveling in two sections of twenty-four cars each. The first section went through at 2:56 this morning and the other at 7:34 o'clock. The trains were composed of box cars, flat cars, horse cars and Pullmans. The second section made the run from Indianapolis here in remarkable time, covering the distance in one hour and four minutes. Neither of the two trains stopped here. The troops will arrive in Washington in time for the inauguration.

FIRE LOSS OF \$25

A fire loss of \$25 was sustained at the home of John Johnson, 519 East Eighth street, late yesterday afternoon when a smoke-house in which some meat was being smoked caught fire from the coals. The meat was saved but the house was badly damaged, the roof being burned off and the structure badly wrecked.

DEMOCRATS GO

ON SPECIAL TRAIN

Indiana Delegation to Witness the Inaugural Ceremony Leaves For Washington.

WILL VISIT MANY PLACES

Will Spend Some Time at White Sulphur Springs, Place of President's Birth.

(By United Press.)

Indianapolis, Ind., March 3.—Indiana democrats who will witness the inauguration of President Wilson in Washington on Monday, left at 3 o'clock this afternoon for the capital city on a special train. The inaugural special will go to Cincinnati and from there to White Sulphur Springs, W. Va., the birthplace of the president. When the party reaches Staunton, Va., the members will march to the First Presbyterian church where services will be conducted by the Rev. Owen D. Odell, pastor of the Second Presbyterian church of Indianapolis. The Hoosiers will place a bronze

DRINK HOT WATER IF YOU DESIRE A ROSY COMPLEXION

Says we can't help but look better and feel better after an inside bath.

To look one's best and feel one's best is to enjoy an inside bath each morning to flush from the system the previous day's waste, sour fermentations and poisonous toxins before it is absorbed into the blood. Just as coal, when it burns, leaves behind a certain amount of incombustible material in the form of ashes, so the food and drink taken each day leave in the alimentary organs a certain amount of indigestible material, which if not eliminated, form toxins and poisons which are then sucked into the blood through the very ducts which are intended to suck in only nourishment to sustain the body.

If you want to see the glow of healthy bloom in your cheeks, to see your skin get clearer and clearer, you are told to drink every morning upon arising, a glass of hot water with teaspoonful of limestone phosphate in it, which is a harmless means of washing the waste material and toxins from the stomach, liver, kidneys and bowels, thus cleansing, sweetening and purifying the entire alimentary tract, before putting more food into the stomach.

Men and women with sallow skins, liver spots, pimples or pallid complexion, also those who wake up with a coated tongue, bad taste, nasty breath, others who are bothered with headaches, bilious spells, acid stomach or constipation should begin this phosphate hot water drinking and are assured of very pronounced results in one or two weeks.

A quarter pound of limestone phosphate costs very little at the drug store but is sufficient to demonstrate that just as soap and hot water cleanses, purifies and freshens the skin on the outside, so hot water and limestone phosphate act on the inside organs. We must always consider that internal sanitation is vastly more important than outside cleanliness, because the skin pores do not absorb impurities into the blood, while the bowel pores do.

Don't Value Yourself Too Low

In investing in Life Insurance many men make the mistake of insuring their lives for a small amount because they fear the payment of the premium on a large sum will embarrass them financially. Your life has a definite value measured in dollars and cents, measured by your income, your prospects, the responsibilities of your family. Let the Life Insurance man help you determine your value. Don't be afraid to insure your life for what it is worth. By making regular deposits of a small proportion of your income in a Savings Account you will not only soon accumulate the first full year's premium, but you will be able to easily meet subsequent premiums as they fall due.

LAST OF SILK HAT STATESMEN RETIRES

Senator O'Gorman Ends His Term in
Public Life When Congress
Adjourns Monday.

IN PUBLIC LIFE 24 YEARS

(By United Press.)
Washington, March 3.—United States Senator O'Gorman of New York, the last of the silk hat statesmen of the old order, will close his public career when the Senate adjourns Monday night.

"I have completed an uninterrupted public service of 24 years," said the Senator today, "18 years as judge and 6 years as senator; and I must now give attention to my private affairs."

Senator O'Gorman was the only influential Tammany leader who supported Woodrow Wilson for the presidency from the first. In the early days of Wilson's first administration he was very close to the President and regarded as his personal spokesman on both sides of the Capitol.

Political differences later over the appointment of the the Senator's son-in-law, Dudley Field Malone, as Collector of the Port of New York, caused O'Gorman to be less popular with the administration. Secretary McAdoo, President Wilson's son-in-law, wanted Frank Polk, now assistant Secretary of State, appointed to the place.

TAXES ADD TO THE COUNTY'S DEPOSITS

Collections Last Month and Sale of
Two Bond Issues Serve to In-
crease Bank Account

TAXES ALONE ARE \$50,000

At Close of Business - February 28
County Had on Deposit \$262,-
922.56—Interest \$338.72

Tax collections and the sale of two bond issues tended to increase the deposits of Rush county during the past month. At the close of business on February 28 the county had the sum of \$262,922.56 in the various banks of the county. This sum netted the county \$338.72 in interest. Last month the deposits amounted to \$209,477.54. During the month over \$50,000 was collected in taxes and the two bond sales brought over \$11,000.

The deposits in the banks were as follows:

Rush County National	\$63,029.03
Rushville National	49,760.63
Peoples National	37,962.48
Peoples Loan & Trust	20,529.51
Farmers Trust	15,040.63
Carthage bank	34,218.40
Arlington bank	6,312.96
Manilla bank	5,641.02
Milroy bank	9,592.11
Mays bank	8,300.58
Falmouth bank	4,069.80
Glenwood bank	8,465.41

Total \$262,922.56

The interest paid by the banks on these deposits follow:

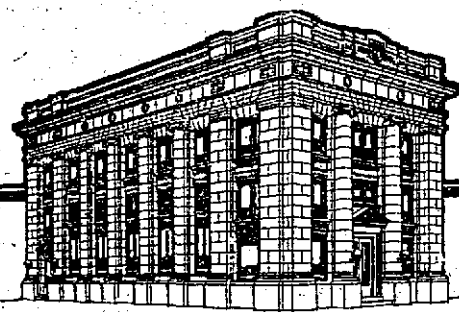

Rush County National	\$79.09
Rushville National	65.87
Peoples National	50.47

Farmers Trust	19.79
Carthage bank	45.41
Arlington bank	8.90
Manilla bank	7.46
Milroy bank	9.50
Mays bank	10.95
Falmouth bank	4.47
Glenwood bank	11.56

Total \$338.72

JUDGE WILL HALT SCHEME

Will Prevent Establishment of Sa-
loon on Strip Across State Line

Evansville, Ind., March 3.—Liquor men who after the prohibition law is effective have been contemplating establishing a saloon on the strip of land on the Indiana side of the Ohio river which is owned by Kentucky, will be disappointed. County Judge Young of Henderson has declared that he will grant no one a permit to operate a saloon on the property. The Kentucky law holds that no liquor may be sold on the strip except in a tavern which could be built only for the accommodation for travelers when absolutely necessary. And Judge Young is the one to decide when such a necessity
